DCM Report: In interest of time, I don't have a DCM report. If anyone is interested our Area Secretary will post everything online. Gerald made a motion to accept this, Darrell seconded it. MP
Committee Reports:
BTG: Jerry reported that BTG has been very quiet the last couple of months. He also stated that he has been doing some of the PI job since he's been doing the schedules. The cost of printing has gone up to at least .50 for double sided print. He just wanted this brought up so when/if we get a new PI chair. There was much discussion.
Old Business:
Group Reports: Theresa brought up that she was able to get a printout of District 42 meetings at Assembly, wasn't updated right.
Augusta: Tim reported that he hasn't been able to attend because his grandson plays football. He's been told that they have been steady with 4 to 8 in attendance. Every Friday night at 7:30, his grandson's team got beat so he will be back in attendance. Bummer!
Browning: Dawn said that Tuesdays and Thursday meetings are going pretty well. Tuesdays average around 12 to 18 and Thursdays are averaging 8 to 12. We were going to have elections but she ended up sick, so it will be in the near future. She stated that she attended the

Area Assembly, representing the group, so much information. Was very busy with taking notes. We are able to make our rent for the meetings.
Dupuyer: Jerry reported that we have anywhere from 5 people up to 12. We're going through the stories in the Big Book.
Choteau: Jeremy reported they did elect a treasure a year ago, with 2 signatures but one of the ladies passed away. We will be getting this handled and would like to start contributing to Area, District and GSO. We do intend to start doing more business meetings. We currently do not have a GSR, our weekly attendance averages between 6 to 8. We are holding steady and have a great place to meet.
Cut Bank: No one here to represent but Gerald was there Saturday. He stated that there was 7 people there. Seems to be pretty steady. One lady had to step away from GSR and there is a new person Travis, but he will probably not travel out of Cut Bank. Jody brought up that she has received a couple calls from the Area and there were been a couple times people drove from out of town to the meeting and no one was there. Carl has been chairing that. Gerald offered to look into it for us, he'll do some undercover work!!!
East Glacier: Gerald said the Tuesday and Thursday meetings have been going really well. Crystal Creek comes and some vacationers come. Dawn also stated that there has been a group from Columbia Falls coming over at least once a month so they could help some of the clients who are in treatment over there. Trying to build a connection between Browning and East Glacier and Columbia Fall. Very good attendance. Hosted some speaker meetings, birthday meetings and potlucks.
Kevin: Darrell said he has been sporadic on attending. They have anywhere from 4 to 7. Very good conversation.
Dutton: Theresa stated they are alive and well. She also attended the speaker meeting in East Glacier. Darrell said they do the potluck once a month, during the winter it is at the Senior Center and in the summer at Rob and Beth's place. Meetings are every Wednesday at 7:30 pm.

Shelby: Becky reported that they have between 6 to 12 in attendance. We are at 7pm on Mondays. There has been great participation. Looking forward to growing. We had our business meeting and voted to give District $100.00. Excited to be in that group.
Elections:
Theresa brought up that since we don't have any guidelines so she took the liberty of using District 71. This isn't 'our' guidelines, it is just an idea. Also brought up to use Area 40 Policy & Procedures.

Jody made a motion to have our next meeting on Sunday January 10th, 2027 in Conrad at the Lutheran Church Education building, address is 325 6th Ave. Dawn seconded the motion. MP
Jerry made a motion that Jody, as elected Treasurer, take what is there and start figuring it out. Discussion was that the second name on the account could be the DCM, and Jody stated that she would be looking at putting this account into a different bank, Independence Bank. After talking with a manager in Conrad, as a non-profit organization there is

no service charge.  There are banks in Conrad, Shelby, Great Falls and other locations in Montana.
