INTRODUCTION

The purpose of this document is to provide a detailed explanation of the composition and basic policies and procedures of the service structure in Area 40, to provide guidelines for trusted servants to utilize within that structure, and to assist Area 40 Assembly attendees, voting and non-voting, in having a productive and positive experience at the Area Assembly. The Area Assembly convenes two times a year, and is, for all practical purposes, the representative voice of the collective group conscience of the Area 40 fellowship. We encourage all groups in Area 40 to participate in the business of Area 40, the General Service Office (GSO) and A.A. World Services.

The 12 Traditions and the 12 Concepts of Service set the guidelines for our policies and procedures. They serve as a platform upon which our Fellowship can best function and hold together in unity and service. Tradition One and Tradition Two remind us that we proceed as trusted servants, placing common welfare first. Tradition Five gives us the ultimate gauge for soundness of an idea, project, policy or plan. Tradition Nine suggests the creation of committees and reminds us that our committees are directly responsible to Area 40 and ultimately the groups of Area 40. Concept One and Concept Two identify the need for both ultimate and delegated authority in Alcoholics Anonymous in regard to matters of policy and finance. Concept Nine expresses the great need for sound leadership and gives valuable guidance on qualifications and selection of our trusted servants. Concepts Three, Four, Five and Ten delineate the rights of Decision, Participation, Appeal and Authority, all of which provide our trusted servants the latitude to do the work we ask of them. When assembled for the purpose of conducting Area 40 business the Assembly shall be ever mindful of the principles expressed in the 12 Traditions and the 12 Concepts of World Service.

In 1951 the General Service Conference (GSC) established the system of standing committees and new committees have been added when necessary. The General Service Manual (GSM) defines the committee system by describing the duties and functions of these committees. In it we see the relationship between groups, districts, areas and the GSC. The GSM also defines the Area Committee and its composition and the activities of the Area Standing Committees and Area Officers. Beginning in 1996, Area 40 has utilized the “committee system” in conducting its affairs.

The Area 40 service structure is designed after the structure of AA service bodies in other parts of the country and takes its basics from the model of the General Service Conference. The primary purpose of the Area Assembly shall be that of providing service to AA as a whole, to the Area 40 fellowship and, most importantly, to the still suffering alcoholic.

AREA 40 SERVICE STRUCTURE

1. AREA COMMITTEE:

- 1.1 The Area Committee is composed of:
 - A. Delegate
 - B. Alternate Delegate/Area Chairperson

- 1.3 The Area Assembly shall use Parliamentary Procedure and follow Roberts Rules of Order when conducting business on the floor of the Assembly and in committee sessions. These procedures and Roberts Rules of Order are guidelines and are not meant to be used rigidly. The final interpretation of the applicability of these guidelines rests with the Area Chair.
- 1.4 Area Committee meetings are usually held during the scheduled assemblies but may be called at other times by the Area Chair. All members of A.A. are encouraged to attend any Area Committee meeting as non-voting members, as long as the number of individuals in a certain meeting location does not exceed that which is deemed safe by the hosting facility and/or Fire Marshall regulations.

2. VOTING MEMBERS

- 2.4 A quorum of voting members is established at each Area Assembly. A Quorum shall be 2/3 of the registered voters. As long as the total votes on any ballot, including elections is at least a quorum, 2/3 of the actual votes constitute a substantial unanimity and more than 1/2 constitutes a simple majority.
- 2.5 District Representatives selected by their district to serve on Standing Committees may vote in committee meetings, but do not have a vote on floor actions unless they are also a GSR.

3. NON-ROTATING MEMBERS

- 3.1 Non-rotating members of the Area Committee are:
 - a. Archivist
 - b. Website Coordinator
 - c. Area Bridging the Gap Chairperson
- 3.2 The non-rotating positions of Area Archivist, Area Webmaster and the Area Bridging the Gap Chairperson serve until such time as they decide to cease their services, or until such time as the Area decides to elect new members. They are expected to attend each Area Assembly and to provide an oral and written report. Expenses for their attendance are to be reimbursed out of Area operating funds.

4. ELECTION OF AREA OFFICERS:

- 4.1 The election of area officers is held at the Fall Assembly of the even numbered year and the new slate of officers assumes their duties at the beginning of the following year. The term of office is two years.
- 4.2 The Area Advisor shall conduct the election of Area 40 committee members.
- 4.3 The Area Delegate and Alternate Delegate must have served as an Area Committee Member and have a minimum of six years of sobriety. It is suggested that the Secretary and Treasurer have five years of sobriety.
- 4.4 The Third Legacy Procedure from the General Service Manual is used to elect the Area Delegate, the Alternate Delegate/Area Chair, the Secretary, and the Treasurer. Standing Committee Chairpersons and non-voting committee members are elected by nomination and a simple majority.
- 4.5 Area 40 accepts the qualifications from other Areas as though the individual had served in Area 40.
- 4.6 In the event that the Delegate resigns or becomes unable to serve, the Area Chair/Alternate Delegate shall become the Delegate and the Area Advisor shall assume the Area Chair duties until the next Area Assembly when a third legacy election shall take place to select an Area Chair to fill out the term.
- 4.7 In the event that the Area Chair/Alternate Delegate, Treasurer, or Secretary resigns or becomes unable to serve, the Area Advisor shall assume the duties of the position until the next Area Assembly when a third legacy election shall take place to select someone to fill out the term.
- 4.8 In the event that the Area Advisor resigns or becomes unable to serve, the Area Chair shall appoint a Past Delegate to complete the rotation.
- 4.9 If for some unusual, unlikely, or unforeseen circumstance this replacement process does not work, the following process will be used: a. The available Area Officers (Delegate, Area Chair, Secretary, Treasurer) and the Area Advisor (or a previous past Delegate if the Area Advisor is unavailable) will confer to determine the best solution given the specifics of the vacancy or vacancies, b. An Area Committee meeting will be scheduled as provided in section 1.4 of the Policy & Procedures Manual (audio conference or other meeting technology would be acceptable) to discuss the recommended solution, c. The Area Secretary, or person designated by the officers, will poll the Area Committee as outlined in Sections G11.3; G13.3; and G14.4.

5. STANDING COMMITTEES

5.1 The following are Standing Committees with their alternate assignments:

- a. Archives/Area 40 Structure & Policy

- e. Grapevine/ Policy & Admissions (GSC)
- f. Hotline

5.2 The membership of standing committees is made up by drawing DCM's and District Representatives from the hat. Placement will be done in the following order: 1-PI, 2-CPC, 3-GV, 4-Archives, 5-Corrections, 6-Treatment, 7-Literature, 8-Finance, 9.- Hotline. All DCM's are placed on committees first, then the selection process continues with District Representatives, until there are four members plus the Standing Committee Chair on each committee. The Area Delegate and the Area Chair sit on the Finance Committee therefore only two other members need to be drawn from the hat for the Finance Committee.

5.3 In the case of a vacancy, the Area Chair shall appoint a replacement as soon as possible, following input from the current area standing committee chairs. Any such appointment shall last for the remainder of the term, with the appointed chair being allowed to run for election to the same position at the next election assembly if so desired.

5.4 Committee meetings are scheduled to be held at each Area Assembly. Usually two sessions for committee work are held during each assembly, except an election assembly, when time may limit the sessions to one. It is the responsibility of the Standing Committee Chairperson to conduct a smoothly functioning meeting.

5.5 Anyone is allowed to attend a committee meeting as long as the numbers of individuals in a certain meeting location do not exceed those deemed safe by the hosting facility and/or the Fire Marshall regulations. It will be at the chair's discretion as to time allowed for individuals to participate in discussions during the committee meeting. A proposed guideline is three minutes per person on each discussion item. Such guidelines are suggested due to time constraints for committee business to be conducted. *Participants are reminded of an additional opportunity to discuss recommendations when reports are given to the full assembly.*

6. AUDIT COMMITTEE

- 6.1 The outgoing Delegate, Area Chairperson and Treasurer, and the incoming Delegate, Area Chairperson and Treasurer, shall meet after the biennial election, at a place of their choice, and before Jan 31st of the next year, to audit the books, inventory the equipment, and at that time transfer the treasury to the new committee, leaving enough funds to cover all outstanding bills of the Area. After the payment of outstanding bills, the leftover funds will be transferred to the new Treasurer. The financial report is posted on the Area 40 website and, also, e-mailed to the Finance and Area Committees monthly

7. AD HOC COMMITTEES

- 7.1 Ad Hoc committees are appointed by the Area Chair to complete a specific task in a specific amount of time. When an individual is appointed to serve on an ad hoc committee, it is suggested they not serve on a second until the first ad hoc committee is dissolved.

8. PINK CAN FUND

- 8.1 Area 40 will utilize a “Pink Can” fund which is used to supply AA literature to alcoholics who are detained in a facility as the result of a law enforcement action. The detaining facility must be located in the geographic boundaries of Area 40. All requests for literature must come through the district in which the detaining facility resides. The fund will have its own checking account managed by the Corrections Chair, who will give a report on these funds and the distribution of literature at each Area 40 Assembly. The Area 40 Treasurer is a secondary signer on the Pink Can account.”

AREA 40 SERVICE GUIDELINES AND QUALIFICATIONS

The following sets of Guidelines, both general and by position, have been established as reference material for the successful operation of the Area 40 service structure. While not intended to be all-inclusive, it is the desire of the Area Assembly that these Guidelines will be used to provide avenues of communication between itself and the Area A.A. Groups. It is noted that all service positions of leadership, whether elected or appointed, are considered “trusted servant” positions. The authority required for these trusted servants to carry out their assigned responsibilities is given to them in accordance with our Tenth Concept.

The **GENERAL GUIDELINES** for Area 40 Trusted Servants are:

1. Attend all Area Committee meetings and Area Assemblies and assume the responsibilities specific to their service position.
2. Provide an oral and written report at each Area Assembly providing information on their activities, relevant to their position, since the previous assembly.
3. Provide leadership in Area 40.
4. Be available to committees, districts and groups to provide experience, strength, and hope with respect to our third legacy of service.
5. Report on activities and provide information through the area newsletter, The Triangle.
6. Submit receipts of authorized service-related expenses for reimbursement, within 90 days of incurring them, to ensure the consistent and more predictable disbursement of Area funds.

While not intended to be all-inclusive, it is the desire of the Area Assembly that these Qualifications will be used to help select our “trusted servant” positions.

The **GENERAL QUALIFICATIONS** for Area 40 Trusted Servants are:

1. A minimum of four years of continuous sobriety. The AA Service Manual recommends that GSR's have 2 years of continuous sobriety. GLOSSARY OF TERMS:

ASSEMBLY AGENDA: The assembly agenda consists of the scheduling of committee meetings, workshops, breakouts, elections, and floor assemblies (that time when all members of the assembly are gathered together to transact business for the Area).

1. The construction of the agenda is the responsibility of the Area Chairperson through consultation with the Area Committee as a whole.
2. It is also the responsibility of the Chairperson to assign to the proper standing service committee Area items submitted for consideration.
3. The Area Chairperson may return agenda items to their source if they lack support of a group, district or committee; or if the item is a local matter.

COMMITTEE AGENDA: A list of things to be discussed at the meeting of the standing committee.

The committee agenda will be:

1. Those items that appear on the corresponding agenda(s) from the General Service Conference.

(These agendas are distributed through the Area 40 Delegate to the Standing Committee Chairpersons. The agendas are usually available by the third week in February. The primary purpose in discussing these items is to provide the Delegate with a “sense of the Area” to assist him/her during discussion at the General Service Conference.)
2. Concerns and suggestions coming from Alcoholics Anonymous Members in Area 40.

These agenda items come through the suggested flow of information:

*Group member to Group
Group to District
District to Area Committee
Area Committee to Standing Committee*

Agenda items are assigned by the Area Chair approximately eight weeks prior to the Area Assembly. Agenda items are not submitted to the Area Chair or committee in the form of a motion. They are submitted as concerns or suggestions. However, to clarify the concern or suggestion, it is suggested that background information consisting of rationale, pro and con, be submitted. Indeed, any information that would help to create an “informed group conscience” should be submitted. This information should flow through the Area Chairperson, who has the responsibility of setting the Agenda for the Assembly.

COMMITTEE REPORT-FORM: The purpose of the committee report is to communicate the business of the committee with the members of the Area Assembly. Agenda items concerning the business of Area 40 are reported first with items of regional or national interest following.

Committee agenda items can be addressed in several ways, depending on whether or not they come out of committee as a recommendation.

1. Agenda items resulting in recommendations

All agenda items resulting in recommendations should be brought to the floor before any other business during the committee's report.

Recommendations resulting from committee action and read on the floor become made and seconded motions.

Suggestions for constructing a recommendation:

- A. Write with clarity so that it might still be understood ten-twenty years in the future.
- B. Give dates when needed ("to be held Feb 3, 1997" rather than "at the next meeting")
- C. Spell out sources (Suggestion 3 which states.....rather than just "use suggestion 3")
- D. Set parameters if only intended for short term ("with such recommendation being in place only until the election Assembly of 2002")

The item may be debated on the floor. The purpose of the debate is to reach an informed group conscience on what is best for A.A. as a whole. There are no winners or losers.

Recommendations that have been "tabled" are more often returned to committee for further study under the committee system. They become part of the Agenda for the following assembly. (Exception would be if recommendation to return to committee contains a time marker- "to be considered by the CPC Committee during the Spring Assembly of 2001"). This eliminates the need for designation of New Business/Old Business classifications.

2. Agenda items not resulting in recommendations

For the purpose of communicating with the Assembly, the committee report includes a reading of the agenda items that did not result in a recommendation. Examples are as follows:

The committee **discussed** producing another daily meditation book and concluded such a project is not needed at this time.

The committee **reviewed** and was satisfied with pamphlet on Employee Assistance Programs.

The committee **discussed** changes in the membership of the standing committees and agreed it would be wise to request additional input from other Areas for further discussion at the next Standing Committee meeting.

The committee **discussed** the General Service Conference Agenda item....., and provides for the Delegate **a sense of the committee** that.....

These items, as reported, do not call for any action by the Area Assembly members.

COMMITTEE SYSTEM: A procedure for accomplishing the business of Area 40, insuring we carry out our primary purpose.

FLOOR ACTION: The floor action is a proposal that does not come through the regular assembly agenda process. The proposal is usually one that comes from emergency situations and is in need of immediate attention. It is the responsibility of the assembly to determine the need to consider such as action outside of the adopted committee process. Most often it is possible to refer the proposal back through the committee system for attention at the next assembly. Reserving Floor Actions for matters of emergency nature adds strength to the committee system and emphasizes the importance of the Floor Action.

MOTION: For the purpose of the Area 40 Assembly, motion and recommendation are synonymous. A motion is the main idea that the assembly is working on and comes from the committee in the form of a Recommendation. (See Committee Report Form, pg. 22) Amendments to committee recommendations should originate in the committee. Members of the assembly may ask that the committee reconsider a point and return with a new recommendation. Motions to reconsider, motions to table (when needed), and motions to adjourn will still come from the floor of the Assembly.

STANDING COMMITTEE: A committee named and represented in the structure of Area 40, focusing on a specific way to accomplish our primary purpose. Current Area 40 Standing Committees include:

- Archives
- Cooperation with the Professional Community
- Corrections
- Finance
- Grapevine
- Hotline
- Literature
- Public Information
- Treatment Facilities/Accessibilities

STANDING COMMITTEE-ALTERNATE ASSIGNMENTS: For the purpose of dealing with business at the General Service Conference level, alternate assignments are made to the Standing Committees of Area 40. This allows committee members in Area 40 to review and discuss agenda items from those committees. Agendas from these alternate assignments will be the responsibility of the committee to which they are assigned. In the Fall of 2004, the alternate assignments were as follows:

- Archives—Area 40 Structure & Policy
- Cooperation with the Professional Community—Trustees
- Corrections—International & Regional Forums
- Grapevine—Policy and Admissions (GSC)
- Hotline

A copy of items and committee assignments is sent to all members of the Area Committee. Background information is forwarded only to Standing Committee Chairs but may be requested from that Chair by any member who would like to see it. **The information communicated to this point becomes the agenda for business at the Fall Assembly.**

By August 1st--- Standing Committee Chairs make certain all information for their committee is out to each committee member. This allows for members to digest background information, question members locally, request additional information from other Areas on like matters, etc. The Chair remains in mail/phone contact with other committee members. Area Committee members make themselves available, as best they can, to assist Area 40 in creating an informed group conscience.

September--- **Fall Area Assembly** Committees meet and work, then report to the Assembly. Discussions here might result in Area suggestions to the General Service Conference Agenda for the next Conference (following April). These are due at the General Service Office by January 15th of the Conference year.
