Destiny reporting on workshop experience strength and hope. Speakers from Helena were good, food was good, everyone had a good time. Destiny states that there were very few people from district that came and helped with the event and she would like to see more help in the future.

Discussion had on whether we could have Ricki one of the visitors and members of AA fill the position of literature while tina is out from June-Sept. The decision was made that Ricki should go home and read the job description, talk to tina, talk to Diane and come back next month and tell us if she would like to fill the position, at that point we could vote. Ricki does not have 2 years of service.
