Expenses: \$528.44

Deposits: \$1,194.00

Ending Balance: \$6,658.57

Prudent Reserve: \$3,000.00

Available Balance: \$3,658.57

Old Business:

- Extra pamphlet rack at Singleness of Purpose, Lance will be checking to see if it can be donated to district

New Business:

- Open District positions: DCM, alternate DCM, Archives, BTG, CPC, SYS, PI, Hotline
 - Jackie will make flyer listing open District positions
- Eric proposed moving District meetings to a Wednesday, some mentioned it would be difficult due to AA meetings and those travelling to Great Falls. However, Sundays at 4pm are available at First English. We can buy and store our own coffee for our meetings. Cathy will check if we can have District meetings at the clubhouse (111 Center) on the first Sunday of each month at 4 pm (\$20 rent). Will let secretary (Rikki) know of updates.
- WSRAASC in Casper, WY Feb 28-Mar 2: Brandy will ride with Hugh, two more spots available in the car. Also attending: Brandon, Lance, Rikki, April. GSR's/Alt GSR's are encouraged to attend, great event to help prepare for area assembly.

Chair Reports:

Archives: open position

BTG: open position

Corrections: Brandy: Rebecca L. joined committee with Rebecca A. and Brandy to chair meetings at women's pre-release. Brandy has reached out to jail to find out when training will start and when we can bring in the meetings, has not received answer yet.

CPC: open position

Grapevine: Jim: no literature, Jim contacted a Grapevine rep for AA subscription \$56 print and digital. We need books, approx \$100 for one set of books. Plans to purchase 2 or 3 sets of books in order to build

up inventory. Importance of keeping inventory discussed. Jim will get into contact with Molly about payment.

IT: Eric: see District 41 Facebook page for updates, will send out flyer about open district positions and update mini site

Literature: Dawn: has coins and literature, getting short on Plain Language Big Book, sold several at NYE party, also sold all Daily Reflections at NYE Party.

PI: open position: Jim provided update, Steps to Recovery donated new rack, SOP may donate new rack also. Racks needed at Indian Health Community Center and Angel Room. We have plenty of pamphlets. PI is in good shape.

Schedules: Cathy: Discussed having schedules not be month specific and just update as needed - could then monitor to see how often they are taken and could reduce how often we are ordering. Having them specified by month could prevent people from taking a schedule (i.e. January meeting guide isn't taken because it's Feb 1st).

Treatment: April: RMTC speaker meetings going well, made flyers listing Friday speakers for February, always looking for speakers and only requirement to speak is 2 years of sobriety.

Hotline: open position

SYS: NYE party went well, expenses: \$601 to pay church, speaker gift cards (owe Eric \$50), babysitters \$50 x2, raffle made \$250, 50/50 split was \$226, 7th tradition was \$49, ended up negative \$56. Did end up having to give the church \$50 for paint damage. Projected 88 people in attendance. Diane bought a \$100 gift card to Domino's for \$75 and gave to Molly to use at a later event.

DCM: open position
