Treasurer's Report: April reported that the balance is \$367.00. Jody questioned this as it doesn't align with last month's report. Jody will contact Vern to see what happened. Leaving as is till next meeting.

Secretary's Report: Jody read June's minutes. Jerry made a motion to accept as read. April seconded. MP

DCM Report: Nothing new to report.

Committee Reports:

BTG—Jerry reported that Allan got out of treatment in Browning and has been getting to meetings. Helping others in the Browning meeting connect with meetings and fellowship.

Still looking for committee chairs for CPC—Corrections—Grapevine & LaVina—Hotline—Literature—Public Information and Treatment.

Old Business:

New Business: Jody made a motion to ask our Area Delegate to come and give her report, in East Glacier at our August meeting. This will depend on when she gets ahold of Jody. There was much discussion on this and we will have to wait to see what Lisa says, so nothing is confirmed at this time. *Jody also brought up how important it is to have an Archives chair. There are members with 50 years and down that could be interviewed. Willing to help in anyway I can. This was mainly so everyone could think about this, as a District if we wanted something like this the District would need to buy a recorder. * Karen made a motion that our September business meeting be held at Area Assembly on Sunday after Area is done. Gerald seconded the motion. MP.

Group Highlights:

Augusta: Karen reported that there has been up to 9 in attendance. Some from Great Falls, Fort Shaw and Choteau. Meetings are at 7:30 and they meet at 6pm at the Buckhorn for dinner before the meeting. Browning: Jerry said that the church roof had received some damage, so have not been able to meet. Hoping that it gets fixed soon.

Members are willing to help with the cleanup.

Choteau: Sue and Sharon reported that there have been up to 6 in attendance, no newcomers but Kaitlynn is a new member. Welcome!

Conrad:

Cut Bank: April reported on all 3 groups, Saturday 12 x 12 usually around 4 people, some out of towners. Sunday Serenity has between 5 to 6. And the Monday through Friday have at least 8 people in attendance. Their business meeting is the last Monday of the month and the birthday celebration is the last Wednesday.

East Glacier: Gerald said that both Tuesday and Thursday night meetings are going well. Held some speaker/potlucks. Attendance is anywhere from 4 to 20 when the treatment center comes.

Kevin:

Shelby:

Valier: Jody reported that Stephanie who lives in Valier has been able to get the key. She will be moving sometime in August so we're hoping that the other gal from Valier can help out. We can also rely on Allan.

The support has been overwhelming. Thank you

Karen made a motion to close the meeting. Jerry seconded the motion.

MP
