Public Information Grapevine Treatment

We would like your help! We meet every other month to conduct business. Our District has been very lucky that it was put back together a few years back. As a district we try to continue to reach the still suffering alcoholic. District has made it so we can have our meeting schedules printed and passed out. There is so much more we could do but again we need more help. So please join us if you have a desire to be of service.
