Committee Reports:

BTG: Jerry reported there have been no calls. We do get newcomers from the treatment center at the Browning meeting.

Old Business:

Theresa brought up the books and opened for discussion. Jerry brought up that we had 3 new people come to the Browning meeting, we could use some there. Jody also said that Browning would be a great place for some books. Karen asked if the treatment center gives big books to the people in treatment. Jerry said he can only speak for Allan and he did not receive a book. Jody brought up that the meeting in Browning had 17 people and 7 of them were recently released from treatment, she sees a need there. Theresa asked is this was a motion. April made

a motion that some of the books should go to the treatment center, Karen seconded that motion. Much discussion to be had. April updated her motion that 20 Big Books and 20 12 x 12 be donated to the Browning treatment center. Vern seconded this motion. MP.

Schedules are the next point of business. Jerry mentioned that Theresa sent him the updated meetings at the treatment center, do we keep all the meetings on the schedule as some are NA. Theresa said she already took them off the website. Jody reported that she went to Conrad on Thursday and no one showed up. This is not the first time that this has happened. Asked Jessica what are somethings we could do. Maybe get a contact list for that group. Valentina brought up that she knows a woman who lives in Conrad and has had the same problem and is grateful that she found a zoom meeting that Valentina attends. Vern brought up that maybe Valentina could talk to the gal and maybe she could help with the Conrad meetings. She said she would ask. Jody will go to the church and see if we can't get a contact number. Jody made a motion to leave the Conrad meetings on this schedule. Karen seconded the motion. MP. Vern made a motion to make 200 schedules, Dawn seconded the motion. MP.

New Business: Theresa brought up that it has become a tradition to not hold our District meeting on Super Bowl and where would we like to meet in March. Jody made a motion that we skip our February meeting and the next meeting will be Sunday March 8th at our house again.

Vern seconded the motion. MP.

Group Highlights:

Augusta: Karen reported that some go to dinner before at the Buckhorn then go to the meeting afterwards at the Legion. Friday nights at 7:30. We get anywhere from 3 to 10.

Browning: Dawn reported that the last meeting had 17 people in attendance. We do have our regulars that come weekly. Question she had was, can she put the meetings on her personal Facebook? There was a lot of discussion and ideas. Is advertising a good idea? Maybe put something at the treatment center. Ananimity is very important.

Choteau:

Conrad:

Cut Bank: April reported that the Monday-Friday, open meetings are going good but the Tuesday and Thursday book study is smaller. Vern reported that the Saturday meeting is Vern, sometimes April, sometimes Gerald, Travis. Many times he is the only one there. Sunday meeting has anywhere from 4 to 10. Cut Bank has a meeting every day of the week.

Dupuyer: Jody reported that we are doing great. Reading the Big Book, always 5 there, sometimes more show up. Very grateful to Gerald.

Dutton:

East Glacier: Gerald is happening in East Glacier, Tuesday and Thursday. Anywhere from 6 to 7 unless the treatment center comes. Weather does make a difference.
