

District 42

Sunday July 12th, 2024

Present: Karen, Theresa, Dawn, Jody, Gerald, Vern, Hugh and Jeannie.

Treasurer's Report: Vern reported that he doesn't do paper statements, he printed out it this morning. Beginning and ending balance is \$275.00. Karen made a motion to approve treasurer's report. Dawn seconded. MP

Secretary report: Jody stated that she sent out copies to everyone and it's also on the website. Karen made a motion to approve report, Gerald seconded. MP

DCM Report: Theresa reported that she did go to Akron and GSO.

Karen wanted to know more about the birthday coins. Theresa shared her experience. Amazing trip.

Old Business: The Delegate report will be Sunday September 13th, 2026, in East Glacier. We will have a potluck starting at noon, followed by the business meeting and the Delegate report after. Theresa brought up about the August meeting, Karen said she talked to the Choteau group about August or October. They hadn't decided yet, if in August it would be a Sunday, if October it would be a Monday. Theresa stated that we weren't meeting in August, September is taken care of. After much talk, Vern made a motion that we have our District meeting every other month on the second Sunday at 1pm. Jody seconded the motion. Karen wanted discussion, if we have a meeting in October than the next meeting would be December which is a bad month plus we were going to have elections in November. We are having a meeting in September, we will skip October, elections will be November and skip December. Karen stated that she would go back to the Choteau group, since they really can't do it on Sundays. MP

Dawn mentioned that Browning now has another meeting on Thursday at 5:30.

Vern asked what was going to happen with the Shelby meeting because people were told they couldn't come. Theresa did talk to everyone involved, sad how one thing is mentioned and by the time it gets to the

general public it's way out of proportion, there weren't a lot of facts. We don't enforce the traditions, we observe them. All meetings are autonomous. Vern also brought up that when elections are here he will be giving up being the treasurer, health issues. Jody made a motion to close and Gerald seconded the motion. MP At this time Hugh Area 40 Grapevine Chair was here to give us a workshop, which was great!! Thank you!
