Committee Reports:

BTG: Jerry reported that he received a contact from Great Falls that will be locating in Chester. He was able to get in touch with a member on the hi-line and he knew of the person. He had already made contact with two of the members there. With that he learned that there is a meeting in Chester on Thursdays at 7pm at one of the churches.

Technically, Chester is part of District 42. Jerry brought up that he forgot the meeting schedules but is willing to mail to anyone that is in need. Vern mentioned he needed some, Jody had given Glenda some to pass around, they were found. Jerry will get some to the new meeting, Karen wants some for Choteau and Augusta.

Old Business: None

New Business: Theresa contacted Lisa to give her Delegates report in August but she is already committed, so would we like her to come in September in East Glacier. This would be Sunday September 13<sup>th</sup>, 2026 in East Glacier, the time to be determined after Theresa finds out. She'll see if we can do 11am (set up), then potluck and Delegates Report from 12 to 2pm. MP

Jody brought up elections, do we want to do them before Area Assembly elections, Theresa stated we did hold last time in November, let's keep it then. \*Karen asked her group if they would want to hold a District meeting Sunday July 12<sup>th</sup> in Augusta, maybe have the BTG chair come, Theresa brought up having a Grapevine workshop. Motion was made that to hold our District meeting Sunday July 12<sup>th</sup> in Augusta at time will be determined, this will be a meeting, potluck and Grapevine workshop. MP. Karen said she would ask Choteau if they would be willing to hold the August meeting, or maybe Shelby or Chester. June was brought up, Theresa will be gone, Vern made a motion to skip June's meeting, Gerald seconded. MP. More discussion on our July meeting, Theresa asked what time. Karen said that we could start at 1pm with the potluck, district meeting at 2pm, and 3pm for the Grapevine workshop. This can be held at the Legion Hall. It will take Vern two hours to get here, and Jody and Jerry will have to leave early since our meeting starts at 5pm. Theresa brought up starting at 12 instead, we'll save Vern a plate. Karen said she would ask for 12pm to 4pm. We'll discuss August meeting in July, Karen will contact others to see if they will host. \*Vern asked Victor if the meeting over at the Babtist church is AA or Babtist related. When it got shut down before Vern called the pastor and asked about keeping an AA meeting there and he said no, any meetings here will be based on recovery of the southern Babtist. Victor was told why the meeting wasn't going to continue before, but rest assured this is an AA meeting. Victor asked

what to do with the donations. It was suggested by quite a few that rent first, coffee etc., make sure you have a prudent reserve, then distribute between District, Area and GSO. Take care of your group first.
