P I chair still vacant at this time.

Gene & Bryan went to Rudyard mtg- Rudyard group seemed to be doing good with 8 in attendance.

Gene also attended District 42 mtg in Dutton- 50 year coin presented that day

New Business:

Gene & Ryan going to WCRAASC in Casper 2/28-3/2. Ryan will fund his own trip.

Gene(DCM) is willing to fund his own trip so as not to drain District 51 funds. Discussion ensued: Bryan, Leo, & Terry said District 51 should fund the DCM to go to Casper. Jay wanted to express and have in the minutes that the DCM has the option of reimbursement even though they might not ask for it. Leo made a motion that District pay for fuel, meals and DCM could sleep in his truck. Leo made a new motion that District pay for fuel, meals and hotel. 7 approved & 1 opposed. The minority opinion was DCM

volunteered to pay his own way and we should let him. No one changed their vote so motion passed to fund DCM to WCRAASC.

Gene asked if anyone had an action to present at the upcoming spring assembly- nobody did.

Committee reports:

Alt DCM- Leo: Thank you to Gene for serving as DCM & honored to serve.

Corrections- Bryan: Will be checking on his badge & he's looking forward to getting in the jail. Guys and gals holding it down for now.

CPC- Jay: Prayed and checked the 12 traditions. Jay will be using the traditions to help explain AA to the community. Will be letting them know what we can do and what we have done to help the community. He can use corrections as an example. Jay has been focusing on the hospital & jails & not so much on the professional community. He's going to start checking in with the businesses now also, what can AA do to help these businesses with employees who might be struggling with alcoholism. Gene mentioned that Hugh from GF had a CPC presentation with local cops, teachers and some professionals. The presentation was well received and informative.
