

District 72
Meeting Minutes
12-12-20
(Zoom virtual meeting)

Opened meeting at 5:00 pm with the serenity prayer.

Read concept 12: General Warranties of the Conference: in all its proceedings, the General Service Conference shall observe the spirit of the A.A. Tradition, taking great care that the conference never becomes the seat of perilous wealth or power; that sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference Members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion, vote, and whenever possible, by substantial unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that though the Conference may act for the service of Alcoholics Anonymous, it shall never perform any acts of government; and that, like the Society of Alcoholics Anonymous which it serves, the Conference itself will always remain democratic in thought and action.

Move to Approve October minutes: Motion raised to approve the minutes and that motion was followed by a second motion and then a vote was taken and the notes were voted in favor of approval unanimously. October minutes approved.

Committee reports

Treasurer report

November 2020: Our final current balance stands at \$8338.89. See attachment of complete report, there is not a lot of activity to report. Some money came in from literature and a small amount went out for reimbursement for Public Information (PI). The continued giving of donations from groups is encouraged and also greatly appreciated. You can see in the report it lists group donations there. Thank you. Contact Phil if you have a particular question about information in the report. I will give the December report in January since it's only the 12th of December. Leah will be the incoming district 72 treasurer.

-**One** suggestion is to work with one group of professionals at a time. When a list of professionals has been compiled, members of the CPC committee make initial contact by (email, letter, phone or face-to-face), and offer to come and talk about what A.A. is and not what it is not.

We did this, contacting healthcare workers one month, members of the clergy the next month, etc.,etc. Without question, the most responsive were healthcare and social workers.

In September of 2019, the CPC committee hosted a visit by two class A (non-alcoholic), A.A. trustees, who came to speak to professionals specifically about how A.A had been a very helpful resource to them in their professional careers. All of the recommended groups were contacted by phone, email and mail in the preceding months. The trustees talk was received well by those who attended. Follow up calls/emails were made to these people.

-**You** might also offer to take a professional or student to an open A.A. meeting in your area.

Five social workers attended open meetings- three in Bozeman, two in Livingston.

-**Provide** A.A. literature describing our A.A. program of recovery, stressing our eagerness to act as a resource to the recovering alcoholic.

Literature packets were prepared by the committee & distributed to healthcare workers, clergy & educators.

The last nine months in the midst of COVID have been challenging to the committee; professionals either seemed to be overwhelmed (healthcare) and so unable to respond, or detached, because of working from home (government officials) and not really understanding how A.A. could be useful to employees.

Despite this, I do know that a number of people have connected with A.A. as a result of our efforts and that several professionals are ready to use A.A. as a resource when next given the opportunity.

I want to thank the CPC Committee (Sarah S., Marieta R., Derilynn R and Pete R.) for their work, and District 72 for letting me serve as CPC chairperson for these two years. It has been a privilege to carry the message of Alcoholics Anonymous in this way.

Gillian S. December 2020

******Betty mentioned looking for people interested in sharing their story with MSU med students. Possibly in the first or second quarter of the year. FYI**

Corrections: Very little going on. In person meetings aren't happening but a one-on-one meeting can be set up but they need to be set up with Jackie. Still in need of winter coats and gloves and boots. Haven't heard from MSP. Last I heard everything is suspended indefinitely.

Corrections correspondence letter writing email GSO has a surplus of volunteers both men and women which is great you can still get on the list but it will take a month or two to get assigned someone.

Literature: How group \$246.54 purchase order. Not much to report. Looking for info about when and how much to restock and keep in stock. If you have experience, or info Chrissann is looking for more info. Phil mentioned we have in the past ordered in at least groups of ten for shipping purposes.

Public Information: **DISTRICT 72 PUBLIC INFORMATION (PI) COMMITTEE 2020 Wrap Up**

MEETING SCHEDULES

Meeting schedules were printed for February and March, then suspended until the COVID restrictions were relaxed and groups resumed meeting face to face. Meeting schedules for face-to-face meetings were printed in October and December.

NEWSPAPER ANNOUNCEMENTS

Free newspaper announcements were changed for the holidays; changed back in January; new phone number updates sent: Lone Peak Lookout; Explore Big Sky; The Bozeman Daily Chronicle; Belgrade News; and Bozeman Magazine. Unsure of the status of announcements in the Livingston papers and Ennis papers as they have not responded to emails.

Press releases (attached) with COVID-19 information were sent to all local papers in early April. The Lone Peak Lookout printed it! Updated announcements were sent in April. New volunteers assisted but were unable to continue.

Holiday announcements were again sent to the newspapers that have been printing them; A.A. meeting schedule in the Belgrade news was updated to reflect changes in meeting locations. Paid announcements are being printed in the Belgrade News and Bozeman Daily Chronicle through the end of the year.

BUSINESS CARDS & MEETING GUIDE FLYER

Business cards with the holiday announcement were printed and distributed around the community by various AA members. They were retrieved and destroyed or the new Hotline number was written on them. New cards printed in February for AA members to take to their professionals and other people in the community who may suggest AA (Dr., Dentist, therapist, clinic, probation officer, etc). Project shelved because of COVID.

A small flyer announcing the AA Meeting Guide app was printed and distributed around the community.

AREA 40 WEBSITE

Authorization to update District 72 meeting information on the Area 40 website was received and backlogged address changes were done. All District 72 meetings that were not getting to the Meeting Guide because of address requirements were updated and all now appear in the app. Printed meeting schedule and Area 40 web site meeting schedule were compared to be sure all information, groups, times, and addresses were the same.

Meeting information was updated to reflect meetings being temporarily closed because of COVID protocols. Information is being update to reflect open live meetings as groups send that information. Information has been shared among the Area 40 webmaster, District 72 PI Committee, and recoverybozeman to try to assure that changes are made in each of the schedules.

District 72 minutes for 2019-20 were posted to the District 72 site and other documents (Inventory Questions and the Inventory Reports were posted. The Meeting Schedule is also posted in pdf for anyone who like to print their own.

There continues to be a problem in synchronization with the AA Meeting Guide app. The interim webmaster is working on this.

MAILING

In cooperation with the CPC (Cooperation with the Professional Community) Committee to reach out to professionals and others in the community about A.A. presence during the pandemic. Letters and flyers (attached) were emailed and/or emailed to over 200 law enforcement, court, medical and mental health professionals and other entities in Gallatin, Madison and Park Counties after a thorough review and update of existing mailing lists.

CLOSING

Thanks to everyone who helped on PI projects this year, we could not have done it without you! You delivered meeting schedules around town, designed flyers and ads,; wrote press releases and letters to the community; verified and built mailing lists for COVID mailings; emailed and sent hard copy COVID flyers, letters and press releases; maintained relationships with local newspapers that published announcements. You know who you are!

Thanks for allowing me to serve:

Kristi W.

Special Events: GSR workshop! Jan 30th from 2-4pm on zoom, Sharon will be leading it. Sharon is very interactive and it will be a good experience. If you could please announce this at your meetings so all new

GSR's and ALT GSR's hear about it hopefully and can come if they would like. Also, Leah (secretary) will send Savannah a list of the new GSR contacts that she has and their emails for info on this event.

Treatment: several treatment residential facilities in our area. I think we should consider reaching out, also Galatin county drugs and services and the recovery house. People are detoxing on their own right now due to COVID and this is ongoing so we should maybe open up discussion and conversation on this. MCDC, visits currently aren't happening maybe we can refocus on local outreach and how to reach the struggling and suffering alcoholic remotely.

BTG: Met with the incoming BTG Phil and spoke with the area BTG representative, working on the database, Phil thanks Susan for a great orientation to the BTG position. Phil will be the bridging the Gap chair in the next rotation.

District Inventory: See report from the Inventory Committee, an email went out from the Inventory Committee to GSR's and committee chairs with the detailed report, it was thorough and a great source of information. There is also a copy of the inventory report on the district 72 mini-site, if you could please review those and see what's there so we can come back together as a district and discuss. If you didn't get an email, here are links to the Inventory report and group responses.

ALT DCM: I've enjoyed being a part of district at this level, I have really enjoyed this thank you for the opportunity as Alt DCM to serve the district. Being here and doing this has been great!

DCM: see attached report from Lisa as well as the proposed guideline revisions.
DCM Report – 12/12/2020

- Area 40 and District 72 recently held conference calls to foster a smooth transition to the new rotation's trusted servants.
- I have submitted contact information to GSO for the chairs and officers serving District 72 in the next rotation. GSO informed me that they do not list the following positions: Answering Service Chair, Special Events Chair, Secretary, Treasurer, & Alt DCM. Everyone else should soon receive a packet of information from GSO. Groups that have elected a new GSR and/or alt-GSR, please complete and submit this form: https://www.aa.org/assets/en_US/e_infchan.pdf.
- GSRs, please make sure your groups are subscribed to The Triangle (Newsletter for AA in the State of Montana) by visiting <https://area-40-triangle.org/subscribe/>. Email subscriptions to The Triangle are free.

I am extremely grateful for the opportunity to serve as DCM for the District for the past two years. In that time, things have been very difficult in my personal life, and my sobriety has been tested like never before. It has taken everything I have going for me to stay sober, and this service position has been a lifeline. It has kept me in the middle of the herd and allowed me to work closely with groups of people who put this program at the center of their lives. It has been an honor and a blessing.

There are aspects of the job of DCM that I believe I have done well, and I've made some contributions of which I'm proud. There are also aspects of the job that I've done poorly and things I avoided doing. I offer the District an amends for those shortcomings, all of which primarily stemmed from fear. I wish that I had reached out more often to former DCMs and the members of the District for help with the tasks that scared me instead of shirking them. That is a lesson that I will take with me going forward.

I am grateful to everyone who served with me in this rotation – GSRs, chairs, committee members, and my fellow officers – for all that they have done to carry the message, particularly during the challenges of the pandemic. I am inspired and moved by the number of people who showed up for the business meeting tonight – 38!! I know that District 72 is in very good hands going forward.

Thank you for your faith in me and for the opportunity to serve.

Lisa C.

Old Business:

Hybrid meetings: Equipment needs and purchase: Catherine also serves on the board of the fellowship hall. The Cares act, looking at it and I think we should look into a grant. Writing a grant Proposal is due in April. Using technology and utilizing it in groups to make it more accessible. This would be likely owned by the fellowship hall not by the district but groups that use the hall could benefit from it. Steve and Catherine can continue working with the hall. Steve volunteers to be a representative for district.

Pandemic and Winter: Zoom still or meet in person?? Input A Great turn out here tonight. We should maybe keep it on zoom. Further input a connective energy that occurs in person, we aren't as present we tend to do other things while on zoom, conversation is livelier and more seems to get done. Zoom isn't ultimately the best for me as well, however the hybrid model seems to be the ticket. Until the vaccine is out and we all can start getting the vaccine I think we should avoid meeting in person. Agreed that the Hybrid model seems to be reasonable. At this time, it seems like it would be irresponsible to meet in person especially in Gallatin county where there are high numbers of cases and spikes. Maybe we give it until May or so and see what it looks like then we are so close to the immunizations being here. The eye contact and spiritual connection thing I get the in-person connection, but I don't think it's worth it. I think we should wait until the immunization is out there. More feedback/discussion, I'm immune system compromised and then some of us may have family members that are immune compromised. I personally wouldn't have been able to attend district meetings if not for the zoom way of meeting although I'm the outgoing GSR it has been beneficial for me to attend on zoom. I move that we table this until next month when hopefully there is more info. Lisa recommends that we don't talk/discuss every month unless another member raises it to the agenda or something really changes.

An Inventory Chair for district? Do we want one? District Inventory chair, initially formed an ad-hoc committee now looking to discuss having an actual chair for that position. No Chair (formal) vs. entirely Ad hoc (informal). Procedural point, "it seems pre mature to discuss whether we should have this chairperson before the

inventory group discussion of the actual report. Move to table this about what the group might want to do until after report discussion commences. Second and so its tabled.

Discussion of Inventory report: take it to your groups for discussion. Be prepared to discuss at the January district meeting.

Scholarship Application: see attachment document. Guidelines say that there is to be money set aside for this purpose (sending people to Area Assembly who don't have the group funds to go). but the procedure on how to do it wasn't clear. A request needs to be made to district. 1 page Scholarship application. Would like to make this part of the proposed district 72 guidelines provision and add it as a procedural thing. It's well written and tells the committee what they need to do. Treasurer is authorized to reimburse but can we pay the money out ahead of time rather than after. "Advanced funding" an there shouldn't be a problem with that at all. A statement on the app form that approved applicants can request funds in advance. With report and receipts to follow to account for the award of the scholarship given in advance. Pending the revision to this form with the revision to the proposed guidelines as well.

-Proposed procedures to request funding from district to attend area assemblies.

-Motion passed to approve change in guidelines to include language about the district 72 scholarship program as well. -Proposed revisions to the guidelines, we made to table until the January district meeting.

New Business

Proposed Spending Plan 2021.

Take a look at the budget and see if there is anything that you as a committee chair would adjust or need for any major changes to the budget in your committee. Changes in budget are highlighted in yellow. The district has surplus from 2020 so we are in a pretty good position. Giving to the district is still encouraged. The spending plan isn't set in stone changes/increases in spending plan can be made at any time with presentation/request to the district. This is just a **Spending PLAN** for the 2021 fiscal year. Move to accept 2021 spending plan. A second motion raised and so the spending plan for 2021 is approved by the voting members of district in attendance tonight. No opposed.

Create a zoom account-for district 72 a paid account.

Motion then a second a vote and motion passes. Betty the incoming ALT GSR is going to set up that zoom account and maybe roll it out for the GSR workshop event.

Side NOTE from Lisa...

*****Send GSR emails to triangle: many GSR's had to leave early so I'll get that into the minutes follow up with the GSR's. Also, will get brought up in January Lisa will make sure!******
