Corrections: Greetings, District 72 I apologize for not being able to attend the district meeting , I am in Billings at the West Central Regional AA Service conference. Here is my report. Thank you for letting me serve as district 72 corrections chair. This month we have had good attendance at the Gallatin County Detention Center meetings, with both inmates and volunteers. We have four new volunteers approved , three male and one female. This is awesome but we can always use more. The re-entry center meeting is going well also I made a large order of books for GCDC as it seems that the inmates are keeping big books and taking them when they leave. I think this is a good thing? Thanks to all the people and groups who donate to the pink can, it really makes a difference to the alcoholics in the jail. The district commitment to the Montana State Prison fluctuating a little bit, we lost a few men off our rotation list and gained one. He is going this weekend. We take at least four guys on the second and fifth Saturday of each month. If anyone is interested contact me or go to the area 40 website and download an application. There should be an orientation coming up in May or June. I will be talking with the area corrections chair, Jeremiah, at the conference and I also hope to talk to April T. about being on our panel at the spring roundup, Behind the walls into the rooms. Planning for the panel is coming along, if anyone wants to be a part of the event , or just wants to see what corrections is about come to our committee meeting. It is on the second Friday of each month at the fellowship hall in the room off the kitchen at 6:45 pm

Grapevine: No report

PI (public Information): No report: New schedules printed and available at the meeting.

Round Up: The round Up team is continuing to organize. A schedule brought of what the schedule for round up is shaping up to look like could you please check with Betty if you have a group signed up, that the schedule is correct and everything looks good to your group. They did have to do some rearranging of the schedule because there was glopping together of too much going on at one time. So far 70 people have registered for the round UP event. Karaoke will happen friday night and will be included in the cost of registration. There will also be a comedian on Saturday for an additional \$10.

Special Events: No report

Treatment: Possible report from Cat. Always looking for volunteers to go to MDCD in Butte. Men and women. A small group usually carools together and have dinner together. It's usually a few hours on a saturday once a month. It can be a lot of fun and a great way to do service. Contact Mark or Catherine the Co treatment chairs if interested.

BTG (Bridging the Gap): New brochure printed for those exiting pre re release and heading back into the community looking to connect with the AA community. These are available for GSR's to take to their groups. There is a good list going for the Bridging the Gap volunteer list. A visitor attending tonight benefited from the bridging the gap service so thats awesome. Hopefully more success stories will come

ALT DCM: Safety workshop happened and it was great! It went really well, it was good to have open discussions about difficult topics. Our next district meeting will be in the West room instead of the East room where we usually meet. Another group isd having an annual event and needs the room for that time.

DCM: Flyer for Pre Assembly see attached flyer. This Saturday March 7th 10am 1pm. This is a good event for GSR's to get acquainted with all the points and decisions on the table for the assembly. Area Assembly March 27th-29th in Great falls, Area 40 has an agenda posted on their website.
