## Guidance for Bridging the Gap Requests

Phil M, BTG Chair, District 72/Bozeman 406-600-8787 [BTG.D72@gmail.com](mailto:BTG.D72@gmail.com)

**WHAT BRIDGING THE GAP (BTG) IS.** Alcoholics Anonymous offers A.A. members a temporary contact to help transition from corrections and treatment institutions into their local community.

An A.A. BTG volunteer helps the participant get to their first few local A.A. meetings, introduces them to other A.A. members, and explains the importance of A.A. group membership, A.A. Literature, home groups, and sponsorship. He/she provides a blueprint for sustainable, long-term sobriety.

Our experience tells us that the critical point of progression towards abstinence is located between the door of the correction/treatment facility and the nearest A.A. meeting.
