

DISTRICT 72 GUIDELINES

District 72 unites AA Groups from the Gallatin, Jefferson, Madison, and Park County areas of Montana. We band together to fulfill our primary purpose – to carry the message of Alcoholics Anonymous to the still suffering alcoholic. As an association, it is our responsibility to provide common functions and service activities for AA members. All AA members are welcome and encouraged to attend and participate in monthly District 72 business meetings. We strive, as a district, to work within the spirit of the Twelve Traditions and operate from the Twelve Concepts of Alcoholics Anonymous. We intend for the following suggestions to help clarify and expand the information found in the AA Service Manual.

I. Functions and Services

These are some of the functions and service activities the district may consider:

- Provide a phone service to furnish AA information and help process twelve-step calls.
- Prepare and distribute meeting schedules, updating them as changes are reported (minimally every three to four months).
- Provide groups in the district with information on district, area and general service conference issues.
- Form Public Information and Cooperation with the Professional Community (PI and CPC) committees to inform the public and those whose work brings them in contact with the active alcoholic about the AA program.
- Form committees to carry the AA message into treatment and correctional facilities.
- Form a “Grapevine” committee to inform groups about “our meeting in print.”
- Establish and maintain a District archives.
- Form committees to arrange other district functions such as workshops, roundups and other events.
- Establish and maintain a literature inventory to supply the needs of the groups in the district.
- Hold a monthly business meeting the last Saturday of the month, or at such a time that the district may decide.
- Use the ‘District 72 Agenda Item Form: Discussion or Motion’ for all non-emergent agenda items to be submitted for the monthly business meeting.

II. Representatives of District 72

Each registered group in District 72 is a member and is represented at the district meetings and area assemblies by its General Service Representative (GSR). If the GSR is unable to attend these meetings, an alternate group member may attend and participate in the place of the GSR.

District 72 shall elect the following trusted servants:

- **District Committee Member (DCM)**: the DCM is the link between the group's GSRs and the Area's delegate to the General Service Conference and ought to represent the informed group conscience of the district. Among the DCM's responsibilities are: attend district meetings; keep GSRs informed about district, area and conference activities; visit all groups in the district one time per year to keep them informed of General Service activities (the cost of fuel to drive to and from these groups to be reimbursed by District 72 upon receipt;); perform the responsibilities requested by the Area 40 Assembly; attend Area Assembly twice a year; attend Regional Service Conference and Regional Forum as District budget allows; serve as chairperson in absence of Alt. DCM.

- **Alternate District Committee Member (Alt. DCM)**: fills in if the DCM cannot attend district meetings or the Area Assemblies; serves as chairperson of the district meeting; plans agenda along with the DCM; shares the responsibilities (with the DCM) of visiting all groups in the district one time per year (the cost of fuel to drive to and from these groups to be reimbursed by District 72 upon receipt). May be asked to fill DCM term if DCM steps down.

- **Secretary**: maintains records of minutes of the district meetings and sends a copy to each group in the district and the Area 40 Archivist; sends a copy of the meeting agenda to each group, District Officer and District Committee Chair before each monthly business meeting; keeps an updated record of group information such as current GSR, meeting times and places; informs the Area secretary of group changes; supplies needed information to new GSRs, committee chairs and officers (such as a copy of District Guidelines); provides the PI Committee with District minutes, event flyers, and meeting agendas for posting to the District 72 page of the Area 40 website. District minutes are to be mailed or emailed within seven days after the District Meeting, and District Meeting agendas are to be mailed or emailed five days prior to the next District Meeting.

- Monitors the District's "Operating Balance" to assure the District is honoring the spirit of the 7th Tradition "...A.A. treasuries which continue, beyond prudent reserves to accumulate funds for no stated A.A. purpose"

Finance Committee:

- Meets quarterly
- Initiates District discussion when the Operating Balance exceeds the agreed threshold of 25% of the spending plan or is not adequate to pay upcoming expenses without going into prudent reserve. The discussions should identify events, projects or services to consider.
- Assures diligent observation of fraud controls to avoid any suspicion of fraud or inappropriate spending: DCM, alt DCM, and Secretary are authorized signers of checks (the Treasurer is not a check signer)
- Conducts periodic bank reconciliation to check register and treasurer report
- Conducts periodic audits of deposit records, receipts and checks written, the Treasurer report, Treasurer Guidelines

Financial Definitions:

- **Spending Plan.** The Spending Plan is an estimate of the annual expenses of the District Committee. The estimate can be made based on previous years' experience plus any new projects; individual estimates will vary from year to year based on regional events, planned Area Assembly attendance, etc
- **Prudent Reserve.** A Prudent Reserve is a fund, or amount, set aside to protect the District in the event of a drop in income; to allow the District to continue to serve and pay its obligations until the drop in income can be understood and appropriate changes made. Example: the GSO and many A.A. entities used their Prudent Reserve during the Pandemic to pay rent and other financial obligations until requests for contributions were voiced to the fellowship. District 72 has established a Prudent Reserve of 3 months (of the spending plan) by group conscience 2/28/04.
- **Operating Balance.** The operating balance is the amount of money available to spend on District expenses. Group contributions and expenses vary greatly over the course of a year and the District has set 25% of the Annual Spending Plan as the threshold to initiate discussion of how the District can use the funds for which there is "no stated A.A. purpose".

III. Accessibility

In line with AA's Responsibility Declaration, all members of the District 72 service structure are collectively responsible for working to address accessibility challenges that must be overcome to ensure full participation in AA. Accessibility challenges – whether mental, physical, geographic, cultural, technological, or arising from other factors – can create barriers that prevent alcoholics from accessing the AA. message. Such barriers can make it difficult or impossible to attend meetings, read the literature, do Twelfth Step work, and work within the service structure. Members of AA within our District are encouraged to bring to the District's attention the existence of any challenge that may be affecting them or other members. District 72 will work together to try to remove such barriers, drawing on District 72's accessibility fund when necessary, in order to support this work.

IV. Voting

Motions: In all district issues requiring a vote, the group conscience ought to reflect a substantial majority by those voting, and an allowance ought to be made that the minority opinion be heard. Any AA member may attend and participate in district meetings, but only the following may vote, make or second a motion on district issues: each duly elected GSR (or alternate group member if the GSR is absent) has one vote; each elected district officer has one vote (as per the fourth Concept-“Right of Participation”) each district committee chairperson has one vote. (It is suggested that if a District Officer/Chairperson is also a GSR, then that officer should vote the conscience of his group.)

A quorum of voting members is established at each District meeting. A quorum shall be $\frac{3}{4}$ of the eligible voters at that meeting. As long as the total votes on any ballot, including elections is at least a quorum, $\frac{2}{3}$ of the actual votes constitutes a substantial unanimity and more than $\frac{1}{2}$ constitutes a simple majority.

ALL MEMBERS of District 72 are to become familiar with and apply Robert’s Rules of Order in our District Meetings so that things flow more smoothly, and everyone gets an equal voice as a voting member. Robert’s Rules are also used at Area 40 assemblies, and a helpful summary is attached explaining how the rules are used in that context to facilitate AA decision making. Additional information is available at <https://robertsrules.com/>.

Election of District Officers: DCM, Alt. DCM, Secretary, Treasurer are elected according to the Third Legacy Procedure found in the AA Service Manual.

V. Elections

The election of district officers and committee chairs shall take place no later than the August district meeting in the even numbered years, with each district officer and committee chair serving a two-year term from January 1 of the odd numbered year to December 31 of the following even numbered year, except for the Roundup Chair, who serves from the time of their election until the time at which all committee business is complete.

- **DCM and Alt. DCM:** has usually served as a GSR. If the person chosen is a current GSR, a new GSR should be elected to fill his/her position. **Should have enough sobriety (generally 4 – 5 years) to be eligible for election as delegate.** Also needs to have the time and energy to serve the district well. (See duties in the AA Service Manual.) **Term: 2 years.** The election follows the third legacy procedure as described in the service manual ($\frac{2}{3}$ majority).
- **District Officers (Treasurer, Secretary):** are elected in the same manner but need not have served as a GSR to stand. **Suggested sobriety: 2 years. Term: 2 years.**
- **District Committee Chairpersons:** are nominated from the floor and elected by a simple majority (over $\frac{1}{2}$). **Suggested sobriety: 1 year. Term: 2 years.**

In all district service positions, rotation is encouraged so that everyone has the opportunity to serve in all areas of service work. It is also discouraged for a district officer or committee chairperson to serve in more than one capacity. District officers are encouraged not to stand for re-election to the position they

are currently serving. Anyone who fulfills a service position that has been vacated is eligible to stand for election to that same position and serve a full two-year term if elected.

District Committees and Committee Chairpersons: any committee formed or active within the district has the traditional right of decision (as per the “Third Concept”), however, any committee request for district funds for expenditures in excess of the committee’s annual budget allocation should be brought forward for debate and approval at the district meeting. When re-activating or forming a committee, the chairperson must be nominated and elected at a district meeting. District committee chairs are expected to fulfill responsibilities of their service position.

Attendance and reports at district meetings are necessary for good communication. If a district officer or committee chairperson “fades away” (does not attend or send a report for two district meetings), a voting member of the district may request that officer or committee chairperson be replaced, and the position may be voted on at the following district meeting.

Vacancies in District Service Positions (Officers and Committee Chairpersons) should be filled as soon as possible and always by election by the GSRs and District 72’s elected officers and chairs. In the case of a DCM elect’s resignation prior to taking office, the Alternate DCM remains the Alternate DCM for the new rotation and a new DCM is elected.

VI. Expenses

Non-budgeted expenses or expenses in excess of budget ought to be discussed and approved by the district.

VII. Prudent Reserve

The prudent reserve of the district is established to ensure that the district has funds to operate for a period of time (currently 3 months of the operating budget) without receiving any contributions from the groups in the district. This is in accordance with the “Seventh Concept” to guarantee that the groups of District 72 are the final authority and they do have “the power of the purse” over the actions of the trusted servants of District 72.

VIII. Guidelines

It is suggested that these guidelines be reviewed by a committee chaired by the outgoing DCM and revised from time to time as the need arises or, minimally, every 4 years with any changes submitted to the groups of the District for approval.

IX. District 72 Meeting Format Guidelines

The suggested guidelines for District 72 Meeting Format are as follows:

How the Conference Operates

Generally speaking, the General Service Conference follows *Robert's Rules of Order*, and proceeds on an informal basis as possible consistent with the rights of all concerned. It is important to remember that the purpose of rules of order is to make it easier for the Conference to conduct its business; rules exist to allow the Conference to do what it needs to do to carry out the will of the Fellowship by reaching an informed group conscience. Over the years the Conference has adopted some exceptions to *Robert's Rules*, which help it to proceed more closely in accord with the spirit of A.A. Tradition.

Conference Quorum

A Conference quorum — two-thirds of all registered members — is required to conduct Conference business.

Committee System

To the extent possible, important matters to come before the Conference will be handled via the "Committee system." This assures that a large number of questions can be dealt with during Conference week. Members are encouraged to trust the process. Each Committee has considered carefully the items before it and presents its recommendations to the Conference as a whole for acceptance or rejection. Recommendations of Conference committees are automatically motions that have been made and seconded. Members are asked to refrain from spontaneously amending the work of the Committee; there are no "friendly" amendments under Robert's Rules.

Substantial Unanimity

All matters of policy (Conference Advisory Actions) require substantial unanimity, that is, a *two-thirds majority*. Any actions, including amendments, that affect an Advisory Action, or motions that might result in such an action, also require a *two-thirds majority*. Because the number of members present in the hall during the week of Conference varies from time to time, the phrase "two-thirds majority" is taken to mean two-thirds vote of the Conference members voting, as long as the total vote constitutes a Conference quorum.

Minority Opinion

After each vote on a matter of policy, the side which did not prevail will always be given an opportunity to speak to their position. If the motion passes with two-thirds vote, the minority may speak. If the motion receives a majority vote, but fails to pass for lack of a two-thirds vote, the majority may speak.

Remember that saving "minority opinions" for after the vote, when there is no rebuttal, is a time-waster, for it can force the Conference body to reconsider a question that might well have been decided the first time around if it had been thoroughly examined from all sides.

General Rules of Debate and Voting

(Agreed to at the beginning of each Conference)

- People who wish to speak line up at the microphones and address their comments to the chair.
- Each person may speak for two (2) minutes.
- No one may speak for a second time on a topic until all who wish to have spoken for the first time.
- Full discussion of a recommendation should take place before each vote.
- Everyone is entitled to express his or her opinion. However, if your perspective has already been stated by someone else, it is not necessary to go to the mike and say it again.

- Our experience is that premature actions such as amending motions early in the discussion or hastily calling the question can divert attention from the subject at hand, confusing and/or delaying Conference business.
- Voting is by show of hands unless the Conference decides otherwise.

Motions Made During Conference

When making a motion, come to the microphone and address the chair. There are various types of motions we use to help reach an informed group conscience. The specific rules governing each are on the next page.

Tabling a Motion

Tabling a motion postpones discussion to a later time during the same Conference.

Motion to Recommit

The motion to recommit returns a motion or proposal to the respective trustees' committee for further consideration. A motion to recommit must be seconded, is debatable and can be amended.

Calling the Question

Calling the question brings debate to a halt while Conference members decide whether to proceed directly to a vote (the question) or go on with the debate.

Reconsideration

A motion to reconsider a vote may be made only by a member who voted with the prevailing side, but it can be seconded by anyone. If the majority votes to reconsider, full debate, pro and cons, is resumed.

Floor Actions

Floor actions may be introduced at any time during the Conference except at the Sharing Sessions. When a floor action is to be heard, its maker will be given two (2) minutes to state the rationale behind the action, after which the chair shall ask if there is a motion that the Conference decline to consider the floor action.

Declining to Consider a Floor Action

A motion to decline to consider a floor action is made without comment.
