Corrections-

Greetings District,

As I said in my email earlier this month: WE'RE BACK. As of June 12th, the Flathead County Detention Center has allowed us to bring meetings in again. There has been a slight scramble to get the meetings filled over the past few weeks, but everything has worked out perfectly. I am currently in the process of signing volunteers up for the next three months. I am dismayed to report that I've seen a large number of my volunteers "go dark" and not communicate back to fill meetings. I estimate that I am currently working with less than half the number of volunteers that I had before. Naturally, that means some people are getting more meetings. One of my female volunteers has signed up for 6 meetings, and I still have open spots on my schedule.

I've received a few emails regarding orientation for jail meetings, and about any restrictions the jail has put on volunteers for bringing meetings in. I'll sum it up:

1. The jail is not putting any requirements on volunteers wearing masks or anything else. They will be taking your temperature upon entry and asking you if you feel sick. You are free to wear a mask if you wish.
2. The jail has changed meetings to be only one housing unit per week. This means smaller meetings (some of the men will be relieved to hear this). They will continue this practice until the state moves into phase 3.
3. All volunteers that were active previous to the 'Rona will be allowed to continue bringing meetings in. The jail only asks that you sign a PREA form.
4. There has not been a date set for a new orientation. The jail is waiting for phase 3 on this as well. It will be a very involved process, as it seems it is going to be a large orientation.

I will continue to keep my list of volunteers updated as information makes its way to me. I will also begin the process of doing my presentation on the Corrections Correspondence program as groups reopen and have business meetings. Thank you for the continued opportunity to serve.

Yours in service,

*.

DISTRICT 91 BUSINESS MEETING

Grapevine-

I received this email from AA grapevine this past month:

January, February, March, April and May Grapevine and Jan/Feb-May/June La Viña issues will remain available and free for all to access until July 1, 2020.

There is a new edition of the Daily Quote available!

I will check my email for other Grapevine news that I may have missed. Other than this I have nothing new to report.

Literature-

Literature Sales were sluggish in June. We had two orders from the New Hope Group for Big Books, Daily Reflections and Living Sober.

Current balance in the Literature account is \$887.50 as I purchased Big Books for Literature Inventory.

Public Information (PI)-

District 91 PI report for June

There is not much to report. I consulted with DCM and we decided it didn't do much good to put out more schedules because they are inaccurate with all the virus changes going on.

There has been very little traffic at the flyer distribution points. The schedules that are out do have the hot line # on them & someone would have access to current meeting information that way.

Fun to serve,

*

Whitefish Group-

Greetings,

This past month, the Whitefish Group has resumed many of its pre-Rona meetings. It was a lengthy process and took the group a total of three group conscience meetings to determine the details and ensure all perspectives were heard.

As of now, the in-person meetings are as follows:

7:00 AM – Being held at Nancy Cawdrey Gallery. Bring your own chair and coffee.

Social

distancing observed, but masks are not required.

12:30 PM – Being held at the regular location (First Presbyterian Church). Masks and social distancing required.

8:00 PM – Being held at the regular location. No masks or social distancing required.

The next group conscience meeting will be held on July 6 th at 6:30 PM. It is entirely possible that the meeting schedule or conditions could change at that time.

Unfortunately, this is my last report as GSR for the Whitefish Group. I have resigned my position

DISTRICT 91 BUSINESS MEETING

effective as of June 16 th . At the time of my resignation, the group had not elected an Alternate GSR or Secretary, so I do not know who to contact regarding group issues or who will be replacing me as GSR for the remainder of the rotation.

Yours in service,

NEW BUSINESS -

DCM - * gave talk at Into Action and he would like District & Intergroup to work together as a whole and proposed a plan for that. * proposed at Intergroup having a meeting as follows in his Agenda Item. There was a lot of discussion and questions. Generally we need clarification of the proposal before any decision could be made. A showing of hands to further discuss the proposal before making a decision to form a committee was 6 in favor of more discussion to clarify at a future District meeting and 2 in favor of dropping the idea altogether.

Agenda Item from Intergroup-

Gentlemen and Fellows,

As you have also recognized our need and offered a willingness to participate I offer the following "preliminary" proposal. As a Trustee of Flathead Valley Intergroup I will submit this proposal tonight to see if the group conscience would support such an activity. I will report back to you of that conscience.

District 91 Service Group Inventory Proposal by **. 6.27.2020

DISTRICT 91 BUSINESS MEETING

Mission: To have a fearless and searching inventory of District 91 and Flathead Valley Intergroup, reviewing where we came from, where we are going, what are we like now, and where can we be a year from now in our service to AA and our fellows in NW Montana.

Goal: To improve our service structures, working in unity, to best carry our message and to assist those entering our Districts Group Service with clear direction and accessible information.

A Proposed Plan:

- 1) Create an Adhoc Committee of 6 which would be comprised of a fair balance of past District 91 DCM's and Flathead Valley Intergroup Chairpersons.
- 2) Conduct Zoom meetings bi-monthly or monthly.
- 3) Start with a District Guidelines and Intergroup Bylaw review, working together to inventory/recognize strengths and shortcomings of both, and propose suggestions for revisions and or changes to the documents and potentially meeting structures as well.
- 4) List and review all service positions held in both groups. Identify strengths, weaknesses, areas in need of improvement, duplication of tasks, and the potential need for ad hoc sub committees in reorganization and improvement of certain positions and functions.
- 5) Ultimately reporting and advising to our Fellowship at one of the annual assemblies the results of our findings and work.

In service, *.

***. made a motion to close the meeting and all agreed.**

MEETING CLOSED WITH THE RESPONSIBILITY STATEMENT 4:30 p.m.
