|  | <p>Antoinette received the binder from the previous Rep Kristen. Antoinette will be contacting Taz and Kristen to help with presentation Into Action on Feb 1st.</p> <p>Received a phone call from Karon CPC in Area from Bozeman and she shared a wealth of information. She is willing to share any information on this position and she told me about a Zoom meeting that takes place once a month for people involved in CPC and PI.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |          |
|  | <p>Corrections:</p> <p>As your new Corrections Chair, I would first and foremost like to thank Susan Hutz for the incredible work she had done as the former Corrections Chair. Her tireless work in this position laid the foundation for a smooth transition and gave me the much-needed confidence in moving forward.</p> <p>On January 6th, a "tech savvy" friend of mine and I, sat down at my computer and we spent the morning separating and simplifying the men's and women's volunteer calendars, dividing emails addresses into two groups (men/women), and organizing the volunteer presentation and certification packet into one accessible format.</p> <p>In the past few weeks, I've met with both Rhianna, our Committee Chair for Bridging the Gap, and Taz our Committee Treatment Chair. We were able to discuss our positions and duties, and how we might work together to make the whole process of reaching out to the "still suffering alcoholic" a little more effective. They were both very receptive, and I look forward to working with them.</p> <p>Our women's calendar is full through March, and there are many dedicated women taking the meetings into the jail.</p> <p>The men's calendar was mostly filled through January, leaving only a few times where I had to specifically text volunteers, asking if they were available to take a meeting in that week.</p> <p>So far this month I've sent an introductory email out to the men and women each with their new calendar, and more recently I've sent a second email to the men in hopes that our February calendar could get filled. It would seem that while we do have several dedicated men volunteers for this service, we need more of them.</p> <p>It is my hope that our "INTO ACTION" workshop will bring "a few good men" into the service of bringing hope to those incarcerated men in Flathead County Jail.</p> <p>All in all, I feel confident and blessed to be in this new position, and very grateful to be of service to Alcoholics Anonymous.</p> | Stacey W |

|  | <p>Columbia Falls Group</p> <p>We hold business meetings quarterly and we last met on Thursday January 16th at 7:15. Our next business meeting will meet Thursday April 17th at 7:15 pm.</p> <p>The treasurer and intergroup representative positions have been filled. I am happy to report Ken as our new intergroup representative and Kristina as our new Treasurer.</p> <p>Meetings take place Wednesday, Thursday, and Saturday evening at 8pm in the Chapel at the Vets Home in Cfalls. We have a speaker meeting every 3rd Saturday at 8pm.</p> <p>It was discussed at our last business meeting to remove the speaker meeting as there has been little interest and the inability to find speakers. Nothing has been decided and will be addressed at our next business meeting. There was no speaker for the month of December.</p> | Katie V  |

|  | <p>Serenity Group –<br/>Serenity Group holds four meetings per week: M,T, F at 7 pm at the Alano Club, and M at 7 on Zoom. Please find Zoom details on the Area 40 website. Monday offers rotating Beginner topics, Tuesday is a Big Book Study and Friday is a random call-up meeting celebrating various lengths of sobriety except the final Friday of the month when we celebrate multiple years and have a one hour speaker. Our speaker this Friday, Jan. 31 is Matt E., the Serenity Group Treasurer and fairly recent home group member who moved from Missoula.</p> <p>The new slate of Alt GSR and GSR met with outgoing Alt and GSR to coordinate the positions. Serenity Group has business meetings on the second Monday of the month directly following the meeting at 8:15 pm. Our last business meeting was Jan. 13 when we held elections.</p> <p>As GSR, I will be attending Into Action on Feb 1, and have also reserved room and airline tickets for WCRAASC in Casper.</p> | Allyson B |

|  | <p>The Connection –</p> <p>The group is connecting people attending Bug Sky Treatment center to AA meetings. This month, we have had multiple people attending who are enrolled in the treatment program. Two one year chips were earned, one by a graduate of the treatment center and one by a friend who came to support a friend in treatment.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Deborah R<br>(Alt GSR) |

This has gained more frequent attendance in the last few months and has been a great resource for our openers! And an opportunity to ask questions about things that may come up in a meeting that may be unusual or unsure how to handle.</p> <p>Currently we have a few time slots in need of a chairperson if anyone is looking to be of service. Our suggested amount of sobriety is 6 months to chair a meeting.</p> <p>Other suggested avenues to chair are discussion with your sponsor and coming to our openers support meeting. We also strongly encourage anyone interested in chairing to come to the openers support meeting to gain help understand our guidelines when chairing.</p> <p>We still have quite a few service positions still open and are looking for members to come to our group conscious business meeting on the first Monday of each month at 6:30pm to get more information and volunteer if so inspired!</p> <ul style="list-style-type: none"> <li>• New GSR – Denise S 406-871-4752<br/><a href="mailto:denises@skiwhitefish.com">denises@skiwhitefish.com</a></li> <li>• New Alt. |                         | <p>DCM –</p> <p>I am happy to serve as your new District 91 District Committee Member. January saw me jump right into it with a slew of emails from our area committee chairs updating me on all the new information we will have for this rotation. If you have a district position and do not know or have the information for the area chair equivalent of your position (e.g. District 91 Literature chair Susan H. should have the contact information for Rebecca SQ, our Area Literature chair) please contact me so that I can give you that information.</p> <p>I have been in contact with Districts 93 (Hamilton) and 81 (Missoula) to set up a pre-assembly between the three districts. This pre-assembly will likely take place in St. Ignatius on March 15 at 11 A.M. The reason for the St. Ignatius location is that it's a central location for the three districts. We are looking for volunteers and we will be holding our next Zoom meeting on February 2 at 2:00 p.m. All are welcome to help us plan this event. I will send the Zoom information out via email soon.</p> <p>I have made my plans to attend this year's West Central Regional AA Service Conference to be held in Casper WY on February 28 – March 2. I will be flying down and I will get the expenses to our treasurer next month. I look forward to attending WCRAASC and encourage all GSR's to attend either in person or virtually. Please be aware if you plan to attend in person that the room cutoff rate (\$99 per night) is tomorrow.</p> <p>Finally, we have a new address for Area 40 contributions. That address is:<br/>Area 40<br/>PO Box 43<br/>Billings, MT 59103<br/>Please send this back to your groups. I will also be emailing a flyer soon with this information.</p> <p>Thank you for letting me be of service,</p> <p>Eli S.</p> | Eli S   |
