	Corrections: The month of June went relatively smoothly. All of our volunteers are keeping the calendar filled and continue to fulfill their commitments. We had only one situation where the men's meeting was cancelled two weeks ago due to human error. A faithful volunteer had his grandchildren visiting him and completely forgot the meeting. The person he was partnering with was somewhat new and was not comfortable going in by himself. It was unfortunate but it happens. I'm just so grateful the men have been stepping up and filling the empty slots these days, as it was a challenge in the past to keep the men's calendar filled. Both men's and women's calendars are filled for next week, The 4 th of July weekend which is a relief.	Stacey W.
	Grapevine: Hello district 91! There is a new weekly Grapevine meeting at the Presbyterian Church in Whitefish. It happens every Monday at 8 PM and consists	Abe M.

	of reading through the current months issue. Please attend and announce. Columbia Falls has made their Grapevine meeting twice monthly. One of them is on the second Sunday of the month at 8 PM at Circle Plaza. I will announce the day and time of the other one in person at the district meeting. If anyone has questions, Valley wide about subscribing or publishing an article, please have them reach out to me personally.	
	Hotline: No report – See DCM report	Brad B.
	Literature: The Groups are really embracing ordering their Literature through District and this month's books order was the largest we have placed yet. The 4 combined group orders came to \$646.56. This enabled all the groups to save their 7th tradition dollars by taking advantage of free shipping and enabled District to keep the groups carrying the message with up-to-date literature. Whitefish group went gangbusters and Caitin and Jake are going to town organizing and updating their pamphlets racks. Since I have 6 months left in this rotation, the district pamphlet and book stock has been streamlined, and as much old stock (that was still current) that could be sold off, has been sold off. Since pamphlets update more often than books, I am only ordering those as District Chairs and groups need them and not keeping any large numbers of pamphlet back stock. We also have the Pamphlet flip book to use as guide to ordering also and no longer need to stock extra copies. I attended the district inventory, (thank you Libbie) and I am going to move forward with addressing a storage solution for the extra paper and other goods continuously used for District events. The other half of that card was storage solution for Archives for ELI (I will pass that card along). Thank you for the opportunity to serve this District.	Susan H.
	Treatment: The Pre-release men's meetings are continuing to go well. The facility has implemented a requirement for patients to attend two groups per week, and we now have at least 10 men attending each of our meetings. Regarding the application process, I am continuing to	Tazarae

	send all applications directly to Beth, our point of contact with Pre-release. Please note that it typically takes about two weeks to receive the results of a background check.	
	District Intergroup Liaison: Intergroup had their business meeting June 27, 2026. Intergroup is in need of a bigger storage unit. Barry Miller, 406-261-7936 will be at the August 1 business meeting to talk about the storage unit and price. With the Emery Bay campout coming up July 23-26, there is a reminder to check out the sign-up sheet on the website to be of service. Please keep the camping circles open for emergency traffic. For day use there is a six-dollar fee, and the fee should be paid when entering Emery Bay. Put the receipt from the envelope on your windshield for the camp host to see. The camp host has a camera that takes a photo of the license plate when entering and when exiting the campground. If one does not pay and put the receipt on your windshield, you will get a bill sent in the mail. Intergroup will also have someone standing at the entrance of the campsites to hand out envelopes. Carpooling is encouraged to cut down on cars. New meeting schedules will come out in October, and changes should reach Marlys at 404-471-7258 by mid-September. The archives position, which is not a rotating position, is still open. The events chair position is still open. The disclaimer on Intergroup's website states, "Though Flathead Valley Intergroup recognizes its groups autonomy, it does not endorse any gambling, raffles or fundraising outside of the traditions of Alcoholics Anonymous." The disclaimer is up for continuing discussion at the next business meeting on August 1. The discussion is, as to if this disclaimer is needed on the website. Please take this disclaimer information back to your groups and be at the August 1 business meeting to share your groups input about this to Intergroup. Susan asked for clarification about the statement on the website.	Sandy K.

Standing Committees/ Reports	Spring Roundup 2026: A poll went out to set our wrap up meeting day/time. The Roundup Treasurer gets back this week and will get things squared away and ready for our final meeting. So, nothing new to report for now. We'll carry over to next month's meeting. We'd love to get splits out and put this to bed. Grateful to serve-	Nino & Victoria
Group Reports	Bigfork By the Bay All meetings on the schedule are the same. Meeting attendance has grown due to summer visitors and residents have returned. Our next business will be on the 3rd Saturday of July after the regular morning meeting. Home group members have been made aware of positions open in District. An offer has been made for anyone interested in how district works to ride with me on the last Sunday of the month. GSO sent out an email about a new app everything AA. It makes resources and literature available to anyone requiring AA information. I pass this on to my group members Thanks for the opportunity to serve.	Lois L.

Meetings are weekly Wednesday, Thursday, and Saturday evening at 8pm in the Chapel at the Vets Home in Columbia Falls.	Katie V.
	The Connection: The connection meets on Tuesday nights at 8 PM at the big sky treatment center. I was scheduled for work today and could not make it, and our alternate GSR could not make it either. 	Serenity Group I will not be attending the meeting on Sunday. Our Founder's Day campout was well attended and the speakers, Grateful Abe and Victoria, shared from the heart. Our monthly potluck and speaker meeting on June 26 hosted Jan A. from Girls Night Out. She is newer to the area and has such a powerful story. Our regular meetings are going well, and we love seeing all the summer visitors from out of town, and from other meetings. Thank you for letting me be of service,	Alyson B.

District Reports		
	DCM This month was a pretty slow one. My big news is that, after some email snafus, I was able to get a hold of our area delegate, Lisa C-D, and get a handful of potential dates for our Delegate's Day. Those dates are available in this month's agenda, and I hope we'll have one picked out by the end of the June meeting. After which, we can start to plan the Delegate's Day event in earnest. I'd like to remind everyone, myself included, that a lot of good potential agenda items came out of our district inventory. If you got a card from Libbie during the inventory or you got some ideas going, please submit them so I can get them on the agenda. They are due at least one month before a district meeting according to	Eli S.

	our bylaws. If made, you must be present at the meeting to explain the item and address any questions. Susan asked about the Hotline Report for Lance. She would like to know the numbers. Eli reported that in May: 6 calls, none missed. No June report yet.	
	Alternate DCM nothing new to report	Steve S.
	Treasurer – See attached Financial Report	Vince T.
	Secretary – Minutes and notes from District Inventory were sent out within about 3 days of the May meeting.	Kathryn L.
Old business	Election for Zoom Chair – No one willing to stand.	
	Election for Secretary Kathryn will continue to fill in on a month-to-month basis, except for July. Eli will cover July	
	Election for PI Chair – Patrick asked about the position. Steve notes it is helpful to work with the CPC chair.	
New Business	Discussion: Potential dates for an upcoming Delegate's Day. Lisa C. can be available for the following dates. Potential Saturdays: July 11.* September 5, 12, or 19. Potential Sundays: July 26, August 23, or September 6, 13, or 20. * July 11 is very soon and may conflict with a date Lisa has set up in Billings. July 25th interferes with Emery Bay Campout. Later dates will start bumping up against the Fall Assembly Sept. 27-28. Eli suggests August 23rd. Steve also thinks August 23 is a good date. It gives us time to make plans and get a flyer out. Eli noted that July is not good for a number of people that have commented via email. Susan would like to get the information sooner rather than later. Eli asked for a consensus to do Delegates Day on August 23, 2026 which was reached Eli will call regarding availability of the Alano Club. The event will probably be 10-4 and there will likely be a potluck. Will need to put Lisa up in a hotel or host her at someone's home. Details will be discussed next month at the District meeting.	Eli

Closing	Motion to close by Susan H. and seconded Taz by at 4 pm. Responsibility Statement was read.
