3. Is the business of Area 40 seen as a result of a year-round process by its Groups and Districts?

4. Considering Concept I, "the final responsibility and the ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship", (the A.A. groups today hold ultimate responsibility and final authority ...), do the groups in Area 40 have everything they need to carry out this responsibility? If not, how could Area 40 support and provide what they need?

COMMITTEES / COMMITTEE CHAIRS

feel free to continue on back of this sheet

1. The Triangle is the Area's newsletter, its purpose to communicate service information among trusted servants, groups, districts and the area committee. How effective is the Triangle in serving this purpose? What can be done to improve its effectiveness?

2. How can we improve the methods of encouraging and selecting effective leaders as well as nurturing leadership qualities in our trusted servants?

3. Considering that the 2011 Membership Survey indicates that most A.A. members are introduced to A.A. by sources other than A.A. members, what might the Area 40 Committees do to support the Districts in carrying the A.A. message to these sources?

4. How are Committee Chairs communicating with their District counterparts? What could be done better?
