The following is a list of agenda items and the Area Committees they have been assigned to for review. There are agenda items that originate in Area 40 and from General Service Conference. All agenda items from the General Service Conference will be addressed at the General Service Conference later on in April.

The Committee Chairs and DCMs were sent a list of agenda items with corresponding background information in February. This information is then passed on to other members of those committees and to GSRs in the districts and other interested members of our Fellowship for research, review and discussion, in turn providing for a well-informed *conscience/decision*. If your Group has any comments, questions, and concerns or would like copies of any background information please contact the appropriate Area Committee Chair or your DCM. Your DCM has the names, phone numbers and addresses of the Area Committee (which also appear in the *Triangle*) or you can email them through the Area's website [www.aamontana.org](http://www.aamontana.org) should you need them.

The General Service Conference agenda items discussed by committees will come to the floor as a brief report of each item considered, reviewed, or discussed with the general sense of the committee for each item, rather than coming as recommendations (motions passed and seconded). Assembly members will have an opportunity to ask questions and offer their groups' thought on each item. The discussion will provide the Delegate with a sense of the Area, with substantive comments to share with the Conference. For controversial items, or items for which the floor discussion does not provide a clear sense of the Area, the Delegate may request an informal show of hands, for and against, in order to obtain the sense of the Area

(NOTE: the process by which items are submitted, dispersed, considered and brought to the Assembly is detailed in the **Area 40 Committee System Policy and Procedures** manual which is available through your DCM and on the web site).

**Review Concepts I, II, III, X, XII and Tradition 2 for a clearer understanding of the above process.**

The following Committees/Committee agenda items are listed in order of presentation.
