

# Pre-Assembly Spring 2013

## Welcome to Area 40!

Welcome to Sacred Space Sobriety! A new group meeting Thursdays at 7:30 pm at the Unity Church in Billings.

March 2013

Volume 21, Issue 3

## It's Go Time

What I like to call "Service Season" is now upon us. As you read this article, the 2013 West Central Regional AA Service Conference in Rapid City South Dakota is history, and the March 9, 2013 Pre-assembly in Billings is probably underway, if not completed. That leaves Pre-assemblies in Somers (near Kalispell) on the 16th of March and in Boulder on the 23rd. If you are involved at any level of the General Service structure of AA, please make it a point to attend at least one of these events.

All this activity is, of course, intended to help prepare us for the upcoming Area 40 Spring Assembly at the Yogo Inn in Lewistown, April 5-7, where we will all gather to discuss the agenda items, posted in this issue of the Triangle, with other AA's from across our state. Our purpose is to decide what is best for local AA on the Area 40 items, and to give our Delegate, Sharon S. a sense of what our thoughts are, as an Area, regarding each item on the General Service Conference (GSC) agenda. She will then travel to the Conference at the end of April carrying with her the Informed Group Conscience of Area 40.

Exciting stuff you say? But wait, there's more! The Spring 2013 Area 40 Assembly agenda will feature some interesting changes in procedure which will no doubt have seasoned trusted-servants, and first-timers alike, scratching their heads at different points during the weekend. Past Archives Chair, Joe H. outlines one of these changes in a succinct article, elsewhere in this issue of the Triangle, which will end a decade's long tradition of holding an AA meeting on Friday night and, instead, introduces a pair of welcome sessions, one for GSRs and DCMs, and another for Area Standing Committee Chairs, both designed to help attendees learn more about the upcoming weekend and their part in it.

I encourage you all to take part in service to AA as a whole and the still-suffering alcoholic by participating in these important events. It's "go time", folks.

Gerry R. Area 40 Chair/Alternate Delegate

The following is a list of agenda items and the Area Committees they have been assigned to for review. All items come from the General Service Conference (GSC) and will be fully addressed at the General Service Conference later this month. In addition, there are Agenda Items that pertain to Area 40.

The Committee Chairs should have received a list of agenda items with, in most instances, corresponding background information sometime in February. This information is then passed on to other members of those committees for research, review and discussion, in turn providing for a well-informed conscience/decision. If your Group has any comments, questions, and concerns, or would like copies of any background information, please contact the appropriate Area Committee Chair. Your DCM has the names, phone numbers and addresses of the Area Committee should you need them. The names, phone numbers, and email addresses of the Area Committee members are also in The Triangle (the Area newsletter) and on the Area's website [www.aa-montana.org](http://www.aa-montana.org).

The General Service Conference items that were submitted to the committees for review will not come to the floor of the Assembly as recommendations (a motion passed and seconded) but will instead be addressed through discussion to ensure that our Delegate is provided with a sense of Area 40's informed group conscience and to help her in preparation for the upcoming General Service Conference.

## The All-In-All Of AA's Organization

Hello to my A.A. friends in Area 40 and around the region and the country.

This time of the year is very exciting as we fully participate in the A.A. service structure. Bill W. says in **The Language of the Heart**, "We organize our principles merely so that they can be better understood, and we continue to organize our services that AA's life-blood can be transfused into those who must otherwise die. That is the all-in-all of AA's 'organization.' There can never be any more than this." These words provide good guidance for us the next few weeks as we study and discuss Area and General Service Conference business. I know today what my purpose is, and will do my best to keep this in mind and use our simple kit of spiritual tools to address my character defects (selfishness, ego, fear) that would interfere with that purpose.

The visual of the triangle helps me understand both our Three Legacies and our Service Structure. My home group buddy Rick says the triangle is strong, a good form for us! My sponsor told me that Recovery is the base of that Three Legacies Triangle and once I have worked the steps the only place to go is around the angle to the Service leg of the triangle. When we flip that triangle over, we have the General Service Structure. The groups are at the top, with the "final responsibility and ultimate authority for our world services" (Concept I) and the General Service Board (trustees), with "final responsibility for A.A.'s world service administration" (Concept XI) is at the bottom. The General Service Board receives its advice and direction as advisory actions from the General Service Conference.

The pre-assemblies during March help us understand information about our services and business and financial condition, including:

- status of projects that are in progress as a result of previous decisions (such as new literature or revisions to existing literature),
- recommendations for new projects, and
- results of actions taken at the last assembly or general service conference.

We then take that information back to our groups and districts to help them understand and give us an informed sense (or conscience) on items needing decisions. GSR's and DCM's then attend the Area Assembly with this informed conscience to determine what the sense of the Area is. Thank you to everyone involved in this process. When I leave for the General Service Conference in April, I will be well prepared to contribute the conscience of Area 40 and to participate in decisions that are in the best interest of A.A. as a whole and our purpose "to transfuse A.A.'s life-blood" to those who would die without it.

Thank you for your trust.

Sharon S.

Delegate Panel 63 Area 40 (Montana)

## Friday Sessions at Area

Hello Area 40. Thank all of you for allowing me to serve as your Area Archives Chair for the past rotation (2011-2012). It has truly been an honor and a privilege. I hope all of you will notice a change to the agenda for the spring assembly. In the past there was an A.A. meeting on Friday night that was not a part of the Assembly. The Assembly started on Saturday morning. At the fall 2012 assembly one of the agenda items for the Area 40 Structure & Policy committee was to consider a Friday evening session from 8-10pm as part of the assembly. The motion passed. Pages 22-23 of the minutes from the fall assembly detail this change. This has never been done before, so there is no precedent or past experience to refer to. Everyone that can and will attend the Friday evening session at the Spring 2013 Assembly will determine the course of this new venture.

Again I want to thank all of you for allowing me to participate in my recovery. Yours in love and service,  
Joe Hefner, past Archives Chair
